FISHING AND OUTDOOR

MOBILE REFRIGERATION AND
COOLING FOR OUTDOOR PURSUITS

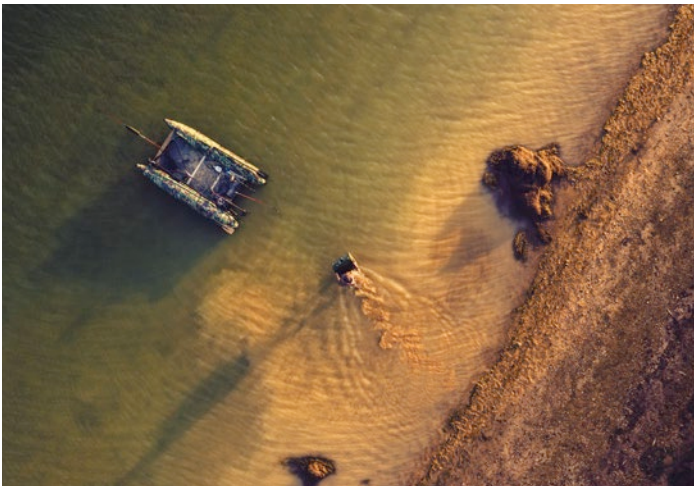

Mobile living made easy.

 **DOMETIC**

GREAT GEAR FOR THE GREAT OUTDOORS

Millions of people around the world are using Dometic products. They all have one thing in common – the longing for freedom and independence on the move. Our job is to meet their essential needs on the journey. Like cooking, keeping food fresh, taking care of personal hygiene and maintaining a pleasant temperature. We also create solutions to make driving safer and more convenient and innovative electronic devices for smart use of precious battery power. We invite you to go on a journey of discovery. Explore the Dometic world and let us know what we can do for you.

DOMETIC COOLERS AND ACCESSORIES FOR NATURE LOVERS

Outsmarting carp in a still lake, casting a fly in a wild river, or hunting game fish from a boat. However you hook them, you need to keep cool. Dometic coolboxes are every fisherman's best friend. Highly adaptable, brilliantly insulated, and extremely durable – they make the perfect companion for every trip. Simply put, they're a great upgrade for your next fishing adventure.

We call it Mobile living made easy.

04 – 05

DOMETIC COOL-ICE CI / WCI

Our award-winning iceboxes keep ice frozen for days – and your catch, provisions and baits reliably cool.

06 – 07

DOMETIC CFX3

Our most powerful compressor coolers ever: energy class A++ and freezer temperatures down to -22 °C!

08

DOMETIC COMBICOOL ACX 40 G

Cooling wherever you want: 12-volt vehicle or boat battery, 230-volt mains hook-up, or gas cartridge!

09

DOMETIC PLB40

Travel off-grid for longer: This portable power pack supplies your 12-volt devices in remote places.

12 – 14

MEET OUR AMBASSADORS

"WHAT A FEELING, KNOWING YOU CAN TAKE YOUR FAVORITE FOOD TO EVEN THE WILDEST SPOTS ON THE PLANET."

Jan Hrdlicka, Dometic Ambassador

Adventurer, explorer and angler, Jan Hrdlicka always packs Dometic coolers as he seeks out the best wild fishing spots in Europe.

READ MORE ON PAGE 10

Dometic iceboxes feature an extremely effective insulation system. Fitted with ice packs or ice cubes, they can keep groceries, fish, bait and wild game fresh for several days. Almost indestructible and amazingly lightweight, the perfect fishing box for your next fishing trip!

Two series are available – Cool-Ice WCI with adjustable carrier straps and Cool-Ice CI with a modular storage system and many practical accessories.

DOMETIC COOL-ICE FEATURES

Rotation moulded ice boxes, 13 – 110 l

- Strong heavy duty design
- Fridge grade insulation
- Seamless, easy to clean
- Drain plugs (33l up)
- Stainless steel fixings
- Comprehensive range of accessories
- 5 year warranty

COOL ACCESSORIES FOR CI SERIES ONLY

Cool-Ice CI boxes are even cooler with the right accessories. Seat cushions, fishing rod holders and bottle openers make them indispensable companions for fishermen, campers and other nature lovers. Note: accessories are optional extras.

See dometic.com and p. 12

COOL-ICE WCI

Cool-Ice WCI series ice-boxes owe their popularity to their handy size and a practical carrier strap. Available in three sizes: 13, 22 and 33 litres.

COOL-ICE CI

Cool-Ice CI series ice boxes come in six different sizes, from 43 to 111 litres. Their spacious interior is well organised by a modular storage system consisting of wire baskets and dividers. Sturdy carrying handles on both sides facilitate transport. Practical accessories add the finishing touch.

TIP FOR USE

If possible, store the Dometic iceboxes in cool surroundings for several hours before use and keep them out of direct sunlight. If being filled with drinks or groceries, we recommend chilling the items beforehand. Standard freezer packs or ice cubes are suitable as coolants. Air will compromise the cooling capacity and shorten the duration of cooling. Therefore avoid opening it unnecessarily and pack the boxes as full as possible.

HEAVY DUTY QUALITY

Fit for the rigors of mobile life – can even be used as a seat or to stand on

FULLY INTEGRATED HINGES

With stainless steel rods for more stability and smooth contours

COOL-ICE CI 85W

with wheels and pull-out handle

ROBUST TETHERING POINTS

Integrated in the handle anchors (WCI 33 or higher).

LABYRINTH SEAL

The labyrinth seal prevents any heat from making its way into the interior.

STABLE HANDLES

Making it easy to transport by one or two people. (WCI 33 or higher)

NEW

DOMETIC CFX3 THE ULTIMATE POWERED COOLER

THE POWER TO BE PRESENT

Take control of outdoor adventures like never before with the Dometic CFX3. Enjoy reliably fresh food and cold drinks thanks to Dometic's market leading VMSO3 variable-speed compressor cooling technology. Its optimized software ensures superior cooling, freezing and energy efficiency. The CFX3 features durable and

lightweight fender frames to protect the cooler, making it ideal for use in harsh outdoor environments. Strong, spring-loaded aluminum handles make it easy to lift and carry. Adjust the cooling temperature of your CFX3 on the TFT display screen or download the Dometic app and roam free without worry.

KEY BENEFITS

- Heavy-duty yet lightweight construction, fender frame protected edges and stainless steel hinges
- CFX smartphone app allows temperature control via WiFi or Bluetooth and provides performance history
- Powerful VMSO3 compressor cooling technology efficiently refrigerates and deep-freezes to $-22\text{ }^{\circ}\text{C}$
- 3-stage dynamic battery protection system prevents a dead car battery or allows a deep draw on dual batteries
- Generous storage capacity of 32 – 88 l
- Built-in TFT user interface displays operating status
- Excellent insulation retains cool air
- IP44 rated, colour display IP64 rated

WIFI-APP

12/24 V

100 – 240 V

SUITABLE FOR SOLAR

USER-FRIENDLY INTERFACE

The stylish TFT LCD user interface displays operating status

RUGGED CONSTRUCTION

Fender frames protect the unit from damage

OPTIMIZED VMSO3 CONTROLLED COMPRESSOR

Efficient variable-speed cooling

FLEXIBLE POWER OPTIONS

Powered by 100 – 240 V AC, 12/24 V DC or battery power, solar compatible

NEW CFX3 APP

Temperature control via CFX3 App

EASY TO CARRY

Space-saving folding and detachable carrying handles

STAY LONGER

The award winning Dometic PLB40 can give you the power to stay longer. See page 9

THE FREEDOM TO ROAM

High performance wherever you need it! The Combicool ACX 40G coolbox can cool contents to as low as 30 °C below the ambient temperature. The ACX 40G offers outstanding technological features, you can even make ice cubes in the included ice cube tray. This absorption cooler can work on 12 volt supply in the vehicle,

on 230 volt mains supply at home or 220 g gas cartridge in remote locations. There's an integrated cradle for the gas canister - which will power the box for up to 24 hours. All this, complete with a stylish silver sheet steel exterior, makes the ACX a great buy.

DOMETIC COMBICOOL ACX 40 G

Portable absorption cooler, 40 l
(powered by 220 g gas cartridge)

- Powered by gas cartridge, 12 V DC and 230 V AC – guaranteed energy supply, maximizes freedom!
- Absolutely silent operation means no disturbance
- Sturdy housing and attractive design
- Ice cube tray included
- Cooling up to 30 °C below ambient temperature
- Elegant aluminum housing
- Three-stage flame regulation in gas mode

12 V

230 V

GAS

SILENT

**CAN BE OPERATED WITH GAS CARTRIDGES –
UNIQUE IN THE MARKET**

Vertical space for 1.5 and 2 litre
bottles standing

Sturdy housing and attractive design

3-stage flame regulation in gas
mode, piezo ignition, thermostat
regulation in 230-volt mode

Each 220 g gas cartridge last up to
24 hours

THE POWER TO STAY LONGER

This market-leading battery system is utilizing cutting-edge technology which is a result of years of research and development. The Dometic PLB40 has powerful, integrated Lithium Iron Phosphate (LiFePO₄) battery cells, providing an energy supply of 512 Wh. Ideal for running powered coolers and other 12 V appliances while on adventures, the PLB40 provides up to 53 hours of cooling time for a Dometic CFX3 45 on a single charge (When fridge temperature is +4 °C and ambient temperature +25 °C). The integrated DC-DC

charger offers three convenient ways to charge via: the vehicle 12 V socket, solar panel or AC power. The battery's integrated battery management system protects the PLB40 from under-voltage, over-voltage, short circuiting and overheating for optimum charge time, performance and storage. With this power management system, the Dometic PLB40 has a cycle of life which is up to five times longer than more commonly used lead-acid batteries.

DOMETIC PLB40

Portable lithium battery, 40 Ah

- Enables you to travel off-grid for longer
- Three-way charging via 12 V socket, solar panel or AC house power
- Extremely lightweight, ergonomically designed stainless steel carry handle
- Built-in LCD screen displays: capacity, charging status and output
- Specifically designed for Dometic CFX3 and other powered coolers
- Powerful battery cells provide 512 Wh of energy, 40 Ah
- Can power a Dometic CFX3 45 cooler for up to 53 hours on a single charge (When fridge temperature is +4 °C and ambient temperature +25 °C)

STAY LONGER, CATCH MORE

When paired with the CFX3 45, the PLB40 can supply 53 hours of power (When fridge temperature is +4 °C and ambient temperature +25 °C) ensuring you never miss feeding time.

High capacity – Lithium iron phosphate (LiFePO₄) battery provides 40 Ah or 512 Wh of power in a small package

Versatile charging – Charge with a vehicle's 12 V DC cigarette outlet, solar panel, or included wall charger

Multiple power outputs – Power 12 V accessories, Dometic powered coolers, or small electronics

ADVENTURER, EXPLORER AND FISHERMAN

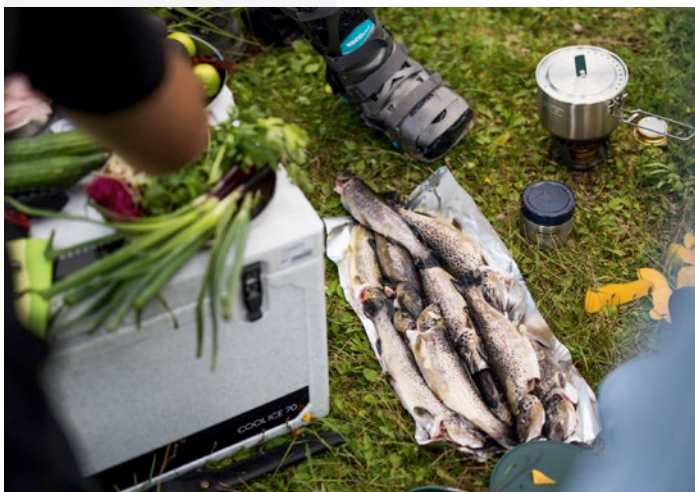

JAN HRDLICKA DOESN'T LEAVE HOME WITHOUT US

"DOMETIC COOLERS REALLY CHANGED OUR WAY TO TRAVEL AND TO KEEP THINGS FRESH. WHAT A GOOD FEELING WHEN YOU CAN TAKE YOUR FAVOURITE FOOD WITH YOU EVEN TO THE WILDEST SPOTS ON THE PLANET."

Jan is hooked on the great outdoors. He discovered his love for nature and spirit of adventure eight years ago by spending his weekends hiking through the Alps in the south of Germany. When he relocated to Hamburg, he needed to find new ways to quench his thirst for fresh air and new experiences. That's why, four years ago, Jan

began to fish in the harbour of Hamburg. His humble hobby quickly grew into a passion and soon he was travelling all over the world to find new spots to cast his lines. He discovered that he was quite good at his new sport and Jan began searching for a cooler that could hold all the fresh fish he was catching and keep up with his travel needs.

In his research he discovered the reliable and versatile products of Dometic. The Dometic Cool-Ice 42 became his top choice for every fishing trip. Rugged but lightweight, it can take a beating and keep cool for several days without Jan needing to refill the ice. The seat pad and rod holder make it the perfect companion for every fishing outing.

SASHIMI-QUALITY CAMPING

"I love food, and a poké bowl with wild trout is the perfect outdoor meal. Fresh fish, herbs, fruit, vegetables, and rice in just 15 minutes."

Get Jan's full recipe at dometic.com/fishing

Jan's favorite feature of the Dometic Cool-Ice 42, besides its ability to sustain low temperatures, is the impressive size and how easy it is to clean and maintain for multiple uses. Ultra-hygienic, it can hold fresh fish, meat, or food without retaining any odour. Jan also has the Dometic Cool-Ice CI 110 for long camping trips and family parties as it has space to cool all the food and supplies needed for ten people.

Keeping things cool and fresh on the road means that he can take his favorite foods with him to even the wildest spots on the planet and still have a healthy, home cooked meal.

Whatever the outdoor activity, whether it be fishing, camping, or just road tripping, there is a dependable Dometic cooler to help keep your fish fresh, your food cool, and your supplies unspoiled so you can focus on reeling in the biggest catch, like Jan.

MEET OUR AMBASSADOR
